CONTENT CREATOR/Writing

## WORK EXPERIENCE

### Midas Alchemist Moderator

2023 - Till Date

I was the collab manager for immortal lion before and after their launch, I made over 120 quality collabs for the project including big projects and DAO in web3 space before launch.

### Shazam Finance Community Manager 2023

I was in charge of the Telegram, Discord & Twitter Community of Shazam Finance before and after their lunch, fast reply and management of FUD made me stand out among other mods. I am proud to say the project gained traction because of me

### Arctic Wolf DAO Co-Founder 2022 - Till Date

Thinking about the continuous running of a community, one needs to lead a community. I joined hands with one of my Web3 friends to create a community that onboard and caters for the affair of her member
